

タイトル:EUROSPINE 2019のご案内

Dear ladies and gentlemen,

As the representative of the Japanese Society for Spine Surgery and Related Research, you play a significant role in the field of Spinal Research. Being a crucial contact person, we would like to call upon your support in promoting our upcoming events among professionals, newcomers and students:

- **EUROSPINE Spring Specialty Meeting**, taking place from 02 - 03 May 2019 in Frankfurt, Germany is a series which is always dedicated to a single topic in depth in an intimate setting that allows for maximum concentration and excellent learning effects. This year will deal with "*Highly Complex Spine Surgery*" and assemble an international panel of leading experts in the field.

Attention: Early Registration Deadline 5 December 2019

- **EUROSPINE 2019** will take place from 16 – 18 October 2019 in Helsinki, Finland. The annual meeting attracts several thousand participants from more than 80 countries who want to learn about improving spine care for patients through the latest advances in research and clinical findings, and who enjoy networking with the best and the brightest in spine research and care.

Please be aware that there are a lot of convenient flight connections from Helsinki to many Asian Countries.

Please visit our conference websites for more details:

We would really appreciate the opportunity to place a meeting banner on your website and be mentioned in your event calendar in order to raise awareness for our meetings.

If there are any opportunities for us to send promotional materials (e.g. to your national society congress), please let us know as well.

We are currently preparing a (social media) promo kit which can be used if you want to inform your members in a newsletter or on social media. If this would be interesting for you I can send you the link.

In exchange you are very welcome to send promotional material to our meetings and you are also invited to place a banner of your future meetings in the EUROSPINE events calendar.

Thank you kindly in advance for your reply and best wishes,

Sandra Wagner
