Subject: EUROSPINE 2020: Going virtual – Barter Trade

Dear colleagues & friends,

To protect the health and safety of all our stakeholders, EUROSPINE 2020 will take place exclusively online between 6 - 9 October 2020.

The EUROSPINE virtual meeting will offer a full, CME-accredited online congress with high quality spine education and a meeting platform which allows spine experts worldwide to hone their skills, profit from the most up-to-date research and moreover get to know more about state-of-the-art technology in the field by meeting with representatives from the Medtech industry.

Use the chance to inform your members about your upcoming meeting: You may be wondering how you can still get your information material out to congress participants of the EUROSPINE annual meeting without giving them a physical flyer?

We want to invite you to share this EUROSPINE 2020 news: Going virtual with your network via your newsletter, website, social media etc. We will, in turn, also advertise your events via the EUROSPINE events calendar or on our official social media channels. You can also send us promotional material (society or congress related), which we will make available for download on the online congress platform.

All relevant information and images will be made available to you in our EUROSPINE promo kit <<https://drive.google.com/drive/folders/1AWvVk8fUF9SGmLZfSf3KR1IjMWYVc3IZ>>.

We look forward to hearing from you!

Your Virtual EUROSPINE 2020 organising team
