Margareta Nordin

Dear Global Spine Leader,

We are pleased to announce that on June 15-17, 2022, the World Health Summit Regional Meeting, with the Patronage of the WHO and the European Council, will be held in the Rome Sapienza University.

Following our SPINE20 Meeting at the ROME G20, and thanks to the generous contribution of the Founding Partners Societies of SPINE20, the Executive Committee decided and obtained to hold on June 16 from 15,15 to 16,30 CEST a Symposium about origins, meetings, aims and recommendations of SPINE20 chaired by International Chair, Edward Dohring and Sapienza Chair, Giuseppe Costanzo.

The virtual participation to the sessions and discussions of the meeting is for free, and since we believe in the interest of SPINE20 to reach the largest audience possible, we would be grateful for a large diffusion to your members of the links that you will find enclosed.

Thank you for your support and looking forward to meeting you virtually in Rome!

The Executive Board
